# OPTA Meeting

*Time: 6 p.m.*

Start the new year right by gathering together for the first 2013 meeting of the Ohio Part-time Faculty Association.

**Our agenda will include:**

- formally establishing the OPTFA, a state-wide association for part-time faculty at colleges and universities in the state of Ohio
- identifying people as candidates for leadership positions
- and discussing what we see as priorities for the new year.

Our primary focus for the immediate future is to provide a means by which part-time faculty can communicate with each other and strategize on how best to bring about reform of working conditions for part-time faculty.

RSVP to Paula Maggio at [paula.maggio@optfa.com](mailto:paula.maggio@optfa.com) if you plan to attend, as we will have pizza and soft drinks on hand.
