

The Ohio Part-Time Faculty Association

The Ohio Part-time Faculty Association advocates for the interests of part-time faculty members in institutions of higher learning in the state of Ohio.

We provide part-time faculty members, including graduate students and full-time non-tenure track faculty members, with a real and virtual meeting place where members can gather to offer support, share information and work together on strategies to improve higher education by improving the working conditions of the majority of its faculty. We also provide guidance and resources to help such efforts.

Join our **meetings** – in person, by phone or online – on the last Sunday of each month at 6 p.m. and on the last Wednesday of each month at noon. And sign up for our **Ohio Adjuncts Discussion Listserv** at <http://groups.yahoo.com/group/ohioadjuncts/>.

“Yet as a state, if we believe in the importance of higher education, and we should, then we must do better by the students we send there... paying a decent wage to those who teach them.” – Akron Beacon Journal, April 27, 2013

“Wal-Mart is a more honest employer of part-time employees than are most colleges and universities... We’ve created a two-tier instructional staff... You know that if you have two people do the same jobs and one is paid three times the other, one is going to get ticked off.” - A.G. Monaco, former senior human resources official at the University of Akron, in Inside Higher Ed, Oct 14, 2008
